ELOQUENT APPEAL FOR PALESTINE

First Day's Drive Yields $1,385 For Restoration Fund

CITY'S QUOTA IS $5,000

Jacob De Hass, Rev. Louis Smet, Rev. Dr. E. V. Regester and Dr. Kate Waller Barrett Make Addresses.

Earnest and eloquent addresses urging the restoraton of Palestine to the Jews were delivered last night by a number of speakers in the auditorium of the Elks' Home at a mass meeting in the interest of the nation wide Palestine Restoration Fund. All of the speakers declared the return of Palestine to the Jews was a debt that civilization owes to the Jews. Those who spoke in their order were Jacob De Hass, executive secretary of the Zionist organization in America, who attended the Peace conference; Rev. Louis Smet, pastor of St. Mary's Catholic Church, Rev. Dr. E. V. Regester, pastor of the M. E. Church South and Dr. Kate Waller Barrett.

At the conclusion of the meeting it was announced that approximately $1,385 had been collected as a result of the first day's canvass and a list of the donations was announced by L. Ruben. Alexandria's quota is $5,000 and it is expected that before the conclusion of the drive Alexandria, as she has done in all previous drives, will go "over the top". The work of collecting is now in progress.

On behalf of the local committee Mr. Weil thanked the speakers and all [illegible]

The aims and purpose of the drive were outlined by B. Weil, who presided Among other things he said they didn't expect any Jews from this country to emigrate to Palestine, for this country is the Palestine of the Jews, but that the money is needed to put Palestine in a condition for those who want to go their.

The first speaker was Dr. Hass who said that for twenty-eight years he had been devoted to the task of getting Palestine for Israel. Conditions

WASHINGTON-TINSLEY MARRIAGE.

The marriage of Miss Irene Watkins Tinsley of Radford, daughter of Mr. James Whitfield Tinsley, to Mr. Wilson Selden Washington, took place yesterday afternoon. The ceremony was performed at 4:30 in the home of the bride's sister, Mrs. Eugene Adams, 1788 Columbia road, Washington, by the Rev. Dr. William J. Morton, rector of Christ's Church. The bride, who was given in marriage by her father, wore a traveling suit of dark blue tricotine, with a small hat to match, with a narrow sable collar and a corsage bouquet of orchids and lilies of the valley. Miss Nancey James Adams, niece of the bride, was the flower girl, and she wore a dainty frock of white organdie, and carried a basket of sweetheart roses and forget-me-nots.

Mr. James Earle Holyday, formerly ensign of the United States Navy, now of Metuchen, N. J., was the best man. Mr. and Mrs. Washington left immediately after the ceremony for a short wedding trip and will later be at home in this city. Mr. Washington is the son of the late Mr. Lawrence Washington, a great-nephew of Gen. George Washington, the last member of this illustrious family born at Mount Vernon.

All young men of the city are invited. Every member is urged to be present.

MOOSE FESTIVAL AND H. W. CAMPBELL UNITED SHOWS

Colross show grounds, presented the appearance of much gayety last night, as the crowd of pleasure seekers in attendance at the Moose Festival and Carnival of Fun, merrily enjoyed their visit by a liberal patronage of the shows, booths and riding amusements presented by the Campbell Circus Co.

The Horse Show, with its variety of Circus and wild animal performers, seemed to be doing a capacity business, while the Minstrel Performers with its entertainment of "Jazz" music and plantation dancing, were packing their Theatre with an anxious and appreciative audience. The "Race for Life," a thrilling exhibition where men and women race at break neck speed around a saucer shaped track. The Side Show, with their curiosities and freaks, the Athletic performance, with wrestlers and boxers, were other attractions that were being liberally patronized. The different mechanical riding devices, include: A whip, an aerial swing, a toboggan carousel, flying boats, a ferris wheel and "Thru' the Falls". All were working to a capacity business.

The Moose Festival will continue thru'out the present week. Performances will be given every after noon and evening.

Longshoremen on Atlantic Coast Ordered Out by International Officers.

Boston, April 15.—Longshoremen employed at the docks of the United Fruit Company along the entire Atlantic coast have been called out on strike in a general order issued by the International Longshoremen's Association yesterday.

The alleged attempt of the executives of the company to close the docks to all union organizations is given as the reason for the strike.

William F. Dempsey, secretary of the Atlantic coast district of the association, said the [illegible] will affect 300 men here.

RECITAL APRIL 20

Miss Estelle Wentworth to Appear at Young People's Building

All Alexandria is taking a special personal interest in the approaching recital on Tuesday evening, April 20, of Estelle Wentworth, one of its own daughters, whose beauty of voice and charm of manner have won deserved recognition in the musical circles of three continents, and Jules Falk, violinist, assisted by Malvina Ehrlich at the piano. This recital in the auditorium of the Young People's Building is the last of a whole season's series of brilliant concerts in the larger cities of the South and middle west. Of Mr. Falk, on his appearance in concert, the Washington Post recently said:

"Musicians in Washington last week had an opportunity to compare two famous violinists. It was an interesting study. "Physically, Jules Falk is more of a musician than Fritz Kreisler The former does not wear hair—he wears locks His eye is gleaming and inspired. He breathes poetry.

"Kreisler's violin sings, and as it sings it spreads a magic that makes the spell grow and grow. Falk's technique is faultless and his expression as it should be.

"This furnishes an interesting thought for the critic who persistently plows through the dictionary to find words with which to express technically his admiration of performers. The two violinists, as far as human dexterity can make them, are faultless."

Miss Ehrlich is one of the younger pianists, is a pupil of the celebrated Josef Lhevime,and has had striking success as a concert artist.

Those who have expressed their deep interest in Miss Wentworth's appearance in Alexandria, and who are included in the list of patrons and patronesses of the occasion are Dr. and Mrs. Hugh McGuire, Maj. and Mrs. Chas. D. Barrett, Mr. and Mrs. Gardner L. Boothe, Mrs. Wm. A. Smoot, Mr. and Mrs. W. Albert Smoot Mr. and Mrs. Archie Hoxton, Mr. and Mrs. Wm. Boothe, Wr. and Mrs. Stewart Jamieson and Mr and Mrs. Clarence Leadbeater.

REDS USE STRIKE TO USURP CONTROL

Government Expects Men to Return When Truth Is Learned

DIRECTED BY FOSTER

Facts Laid Before President and Cabinet by Attorney General Palmer—Communists Finance Movement.

William F. Foster, radical leader of the ill-fated steel strike, is shown to be the prime director of the "outlaw" railway strike by evidence held by the Department of Justice.

The government anticipates public announcement of the influence behind the present walkout will enlighten strikers and lead them to align themselves with their recognized organizations and return to work.

Action toward prosecution of strike leaders, it is said, will therefore be held in abeyance, pending the expected return and cecessation of the strike.

Attorney General Palmer names Carl Pierson and A. E. Reese, with Foster, in the effort to expand the strike.

These facts and further evidence indicating an effort by the Russian Communist Internationale to utilize the railroad strike to obtain a general walkout and mass action to obtain power in the United States have been laid before President Wilson and his Cabinet by Attorney General Palmer.

Reports from Federal agents were said to have disclosed that the Communist Party was financing and other wise aiding the strike through the agency of the Industrial Workers of the World.

WEDDING BELLS

Fred Delmar Lion Trainer and Miss Leona Carter, of Campbell Shows Married

To be married twice within the same hour is a most unusual experience, yet such was the case with Fred Delmar of Kansas City and Leona Carter of Denver, when they were married by the spiritual advisor of the H. W. Campbell Shows, and within the same hour another ceremony was performed by the Rev. E. B. Jackson, of the First Baptist Church

Mr. Delmar is the Lion Trainer with the Campbell United Shows, which are now furnishing the attractions for the Moose Festival in progress here this week. Miss Carter, also a member of the same company, decided to travel through life as one, so with that thought in mind they called upon Parson Jo Durning, who acts in the capacity of the moral and spiritual adviser to the members of the show company. He immediately accompanied the interested parties to the clerk's office where a license was procured. Without further delay Parson Durning performed the ceremony according to the laws and rules of The American Showmen's Association, of which all are members, Parson Durning being a charter member and chaplain. Immediately following the ceremony, which was performed in the parlors of the Hotel Belvoir, the parties hurried to the home of the Rev. Dr. Jackson who performed the marriage ceremony according to the Baptist ritual.

The wedding party, made up of the blushing bride and happy groom, accompanied by Parson Durning and Mrs. Joseph Marks, another member of the Campbell Shows, left immediately for Washington, Mr. Delmar stating that they wished to escape, for the time being, the congratulations of the Management, who was in utter ignorance, of their intentions, Mr. and Mrs. Delmar will continue as members of the show company.

MARTENS IS BRANDED.

Department of Justice Should Investigate Him, Senate Committee Reports.

Washington, April 15.—Declaring that Ludwig C. A. K. Martens, self-styled Russian soviet ambassador to the United States, is a German subject, "and in consequence an enemy alien," the Senate committee which investigated his case reported yesterday that his activities had been such "as to render him more suitable for investigation and action by the Department of Justice than by a committee of the Senate."

Martens is now awaiting a hearing by the Department of Labor on a deportation warrant issued just before the Senate committee concluded its investigation.

The investigating committee's report was laid before the Senate foreign relations committee yesterday and made public. Quoting from the record of the hearing, it declared that the principal purpose of the Russian soviet government, as stated in its official organs, is "to establish Socialism all over the world," with force indicated as the means, but concludes that "Martens' propaganda in this country for the overthrow of governments has been conducted vicariously."

REHEARSALS PROGRESSING

The principals and a number of the chorus of "Katcha-Koo," an Oriental-American fantastique, met in the opera house last night for the fourth rehearsal. Both performers and their friends who attended the rehearsals were convulsed with laughter most of the evening. Only a few changes were necessary in the original cast selected by the committee.

Rehearsal for the Veil dances will be held at 7.15 tonight, and the cast and chorus will be called promptly at 8.15.

The play hearkens of the Orient. There will be incuse, the silken bloomers and turbans of India— and fascinating young women dressed in bewitching costumes. An interesting story is told with a wealth of entertainment in all lines. The stage settings are fine, the costumes dainty and the music catchy and pleasing. The production centers about a notorious East-Indian Fakir, Katcha-Koo, who suddenly undergoes a complete meta-morphosis through being invested with a magic wearing apparel which induces characteristics hitherto unknown to him. He is changed from a "prayerful Hindu" to a love-making and flirtatious gay young Lothario. This role will give abundant opportunities for the well known and versatile comedy talent of Mr. Arthur Roberts. Two of the leading female roles are Dolly and Prudence, who will be taken by Mrs. George E. Bassett and Miss Evelyn Howard, respectively. Dick and Harry, two of the prominent male roles, who play opposite Dolly and Prudence will be assumed by Messrs. J. G. Duvall and Edward Oliver. The professional director in charge, Mr. J. Ivelon thoroughly understands his business and a splendid start was made. It looks as though the production will have all the ear marks of the "real professional."

POTOMAC PRESBYTERY ADJOURNED.

The Presbytery of Potomac adjourned this morning after transacting routine business and adoption of reports on church societies and Sabbath schools.

The gifts to missions and benevolencies have been the largest for many years. Rev. Wesley Baker of Richmond spoke on Sabbath school work. The Presbytery will meet next September in the Mitchell Church.

REPUBLICANS SPLIT AT CONVENTION

Big Fight Starts at Opening of District Convention

FIGHT OPENS EARLY

Delegates Divided Into Two Camps—Considerable Time Lost in Organizing—Contests in Order

The Eighth district Republican Convention convened at 1.25 o'clock this afternoon in the auditorium of the Chamber of Commerce with a large number of delegates in attendance. The convention is being presided over by John B. Grayson, district chairman, and S. A. Sager as secretary. About 100 persons are in attendance and thirty six delegates are the number the convention calls for. Many only have a fraction a vote. Chairman Grayson expressed gratification at the large attendance. The roll call for the delegates was then read by the secretary and seven from Alexandria responded "present" to the call.

A contest was begun when the secretary called the list of King George County delegates over the admission to participation in the convention of an alternate from King George county. The chair ruled that the credential of the alternate was irregular because it was not dated. An appeal from the decision of the chair was made by M. K. Lowery. The chair, however, held that the convention was unorganized. Mr. Lowery said he didn't approve of steam roller methods and added that the convention would hear from him later.

That there is a wide split in the convention was evident when H. A. Sager, of Fairfax County and Col. W. C. Shelly of Alexandria County were nominated for temporary chairman. Objections were raised by both sides at the method of procedure. The split became broader and broader as the deliberations continued. Both sides were on the floor at frequent intervals and the chair was being appealed to at frequent intervals. Rulings came thick and fast before a permanent organization was effected.

Both sides were divided into two camps and J. W. Gregg of Loudoun declared the chair's ruling on the method of voting was a high handed procedure. Contests of certain delegations are to be heard later.

The delegation headed by John B. Grayson and others stand on one side and J. W. Gregg and others on the other side. The Alexandria delegates are voting with the side of which Mr. Grayson is a member.

At 3 o'clock the secretary announced that the vote for temporary chairman was Sager 20 2-3; Shelly 14 2-3. Clinton Knight of Alexandria was nominated for temporary secretary and C. D. Green of Stafford.

RACOONS KILL TROUT

Animal is Menace to Small Streams, Fishermen Say

Lewiston, Pa., April 15.—Experienced fishermen contend the raccoon is a real menace to brook trout in streams like Licking Creek, where the water becomes very low in the late summer, leaving nothing but pools in which the fish may seek protection.

Licking Creek has long been known as one of the most prolific trout streams in the county for early fishing, but absolutely useless for late season anglers. It was believed that it was over-fished until lately, when the tracks of the raccoon have been seen in great numbers in the soft soil about the pools.

BURKE—At Milton Mass. on April 15, JANE REVERE, In her 18th year, only daughter of Jane Revere Reynolds and the late Nicholas Philip Trist Burke. 91-1c

There will be a rehearsal of the Mason Dixon Players at the Community Center tonight at 7.30 sharp.

SPORTS.

Dreadnaught A. C. Athletic Carnival.

The Dreadnaught A. C. will give another athletic carnival on Monday, May 3, at the Opera House. Reports have it that this show will far outdo the other carnival given last month. The Bolling Field Aviation School of Washington will send three wrestlers and four boxers to compete with the Dreadnaught men. The wrestlers from Bolling Field will be matched by Athletic Manager McDonald of the Dreadnaughts against his three crack matmen in the persons of Howard Loverin, Earl Cornell and "Beaut" Beaton.

The Mason-Dixon Players Minstrels will open the show, led by Mr. Bernard Hamilton, Alexandria's popular minstrel man, with "Slim" Hinken, Doc Sutton, Johnny Arnold Leslie Deavers, Talbott Haslett and chorus as his assistants.

Alexandria sport fans are asked to support this show with their attendance, as this will go far toward giving you athletic entertainment during the summer on the base ball field. The Dreadnaught A. C., recently chartered by the state of Virginia, now stands before the sporting eye as a club putting the best athletic teams on the field in the state. Their reputation on the foot ball field and basket ball floor has spread throughout the state, even so far as to have their basket ball team feared by the Church Hill A. C. of Richmond during the past season, which won the southern state championship from the Newport News Y. M. C. A., and refused to play the Dreadnaughts after they had gone to Richmond for the game.

Nothing but hearty co-operation from Alexandria citizens and athletes will keep this club in its good standing. The Dreadnaught A. C. has jumped from a membership of 35 to 312 since February 10. 1920. This club, made up entirely of Alexandrians, ranging in ages from 18 to 60, means to go to the front and give Alexandria something to be proud of in an athletic way.

BIG EVENT.

Johnny J. Jones' Exposition Brings Big Array of Devices Here.

With a supply of good weather everything points to a week of great enjoyment for the spring gala event next week, to be indulged in by the Alexandria Elks and their friends and admirers.

The Johnny J. Jones Exposition through their cleanliness, square dealing and quality have been awarded the contract. Their attractions this year are new, spectacular and good, and in view of that fact contracts have been given to Johnny J. Jones for the big exposition, and state fairs throughout the United States and Canada.

Quoting from the Tampa Tribune: "The 'Joy Plaza' is lighted by thousands of different colored lights and offers scores of attractions, among which are: 'Superba,' with Etta Louise Blake, an attraction with pretty girls, in a series of tableaux of famous paintings; 'The Hell Ship,' a structure in which you are given something out of the ordinary. Ed Salter says; 'Just wait; you think you have seen all the joys in life. You have have something coming to you: 'Stella,' which was one of the greatest features of the San Francisco Exhibition, offers something original and amazing; the 'Monkey Hippodrome,' where numerous chimpanzees, apes, gorillas and plain, ordinary monkeys perform feats extraordinary; the 'Trained Animal Show' with an unusual list of nationally famed trainers, offering death-defying stunts with numerous animals; 'The Pacemakers,' a show where motorcycle and auto drivers flirt with death while riding a saucer shaped track at amazing speed; the midgets, Prince Denny, his sister Princess Marguerite, and Duchess Leona and Baroness Simons; 'Jansen the Great'; Maybelle Mack's Comedy Mule Circus, something novel, amusing, educational, along the animal performance line; 'Krazy Katz,' see it and you will forget your worries; 'Big Circus Side Show,' a collection of the strangest and most marvelous people in the world—no freaks. There are other attractions equally as amazing.

"Numerous out-of-the-ordinary riding devices, the Jones' Caroussal, Whip, Frolic, Ferris Wheel, Aeroplane, give splendid opportunities to all to have the time of their lives."

VIRGINIA NEWS

Not to be outdone by Birmingham and other large cities, the Teddy Bear Overall club was organized at Blacksburg yesterday with T. Cary Johnson, of Richmond as president. The membership of the club will appear in the blue denim Monday April 19. The example was set by Mayor Dave Stanger who appeared on the bench yesterday morning arrayed in blue.

Although it is certain that Congressman Andrew Jackson Montague, representative in congress from the Third district, will have opposition for the nomination in the primary in August the identity of his opponent has not been made known. Howard T. Colvin, one of the labor leaders in this section, may run for the office, Harry L. Spencer, South Richmond machinist, stated yesterday that he will run on a "light beer-and-wine platform" if given support of the people. He does not support the ardent liquor demands, but says that the sale of 3.50 beer and 14 per cent light wines should be allowed.

The annual meeting of the Virginia Bar Association will be held in Richmond at the Jefferson Hotel, May 11, 12, 13, it is announced. The principal address will be delivered by Vice President Marshall. Senator Pomerene of Ohio also will speak.

The passage by the Winchester city council of an ordinance limiting the speed of motor fire apparatus to eighteen miles an hour and imposing fines for violations, has brought a protest by local fire companies, which have arranged to hold a funeral-like parade in which it is proposed to march solemnly through the streets with the apparatus draped in mourning.

Mrs. Helen Reid Marshall, Richmond society woman, was cleared of the charge of having sent poisoned candy through the mails to her daughter-in-law, Mrs. William Marshall, jr., in Federal Court in Richmond yesterday. After her trial had been in progress several hours, Judge Waddill brought the case to an abrupt halt by directing a verdict for the accused.

W. Alexander Baker, of Winchester, chairman of Robert Y. Conrad Post, American Legion, with membership of 300 yesterday telegraphed President Wilson and Daniel S. Willard, president of the Baltimore and Ohio Railroad, offering "its services for the operation of railroads in the Valley of Virginia and any other work necessary," on account of railroad strike. Passenger trains are running, but on account of embargoes several fleets of mail trucks are carrying eggs, chickens and parcels to Eastern cities from the Shenandoah Valley.

Thirteen cases for violation of national prohibition statutes were heard at the April term of United States District Court at Charlottesville Tuesday, Judge Henry C. McDowell, presiding. Sentences varied from $100 fine and thirty days in jail, to a fine of $25.

THE UNIVERSAL CAR

One Hundred Per Cent "Pep"

When your Ford car or your Ford truck doesn't display its usual quantity or quality of "pep" and dash, it's time to have a repairman who understands the Ford mechanism give it the "once over" then make the necessary adjustments or repairs. And return it to you full of its old time power, "pep," energy, pull, and service. You'll notice the difference.

We employ only skilled Ford mechanics—men who know how Ford cars are made, and how they should be kept, in order to give the most efficient and economical service. And our shop equipment boasts a great many specially designed Ford tools and time-saving devices and machinery. In our stockroom is a complete assortment of repair parts—genuine Ford parts—that are exactly the same as their tough, sinewy originals in the Ford car.

For prompt repair work or adjustments, phone or drive to our garage. Don't risk chances, play fair with your Ford car. Keep it in the hands of its friends, the authorized Ford dealers.

POTATOES $5 PER BUSHEL.

A resident of the rural district adjoining Alexandria arrived here yesterday with one hundred bushels of potatoes. He returned to his home with $500 in his pocket, having disposed of them at $5 per bushel.

It seems but a few years ago when potatoes were hard to move in our market, and countrymen carried them from one neighborhood to another anxious to dispose of them at $1 per bushel. In fact, sometimes they sold as low as fifty cents.

In this connection it can be stated that yesterday roe shad were bringing $1.75 each, wholesale. One dealer in the city market, who has spent most of his life in the fish business, had nothing whatever to offer of the finny tribe this morning.

In bygone years the middle of April was regarded as the crest of the fishing season, when shad sold at twenty-five cents per pair and herring at fifty cents per thousand.

The high prices of potatoes should be a stimulant to residents who contemplate growing vegetables this summer. There is much idle ground in the shape of back yards in Alexandria, on which many essentials could be raised. Potatoes, especially, could be grown, together with cabbage, beans of different sorts, beets, radishes, cucumbers, etc. Now is the time for planting.

PALMER'S ATTITUDE.

There is reassurance for the American people in the attitude of the Attorney General in the present crisis. He declares publicly that the government is strong enough and has power enough to protect itself and the people it was set up to defend against its domestic enemies as well as its enemies from without. The laws now upon the statute books are broad enough to cover the crimes being committed by those who conspire against the nation's right to transportation and commerce.

What law Mr. Palmer says will be enforced no matter who has violated it or how many. There will be no surrender of the government to any group of citizens who seek to paralyze the nation, to visit incalculable suffering upon innocent men, women and children. Conspirators against the welfare of the country will be punished, the Attorney General declares and he adds that sufficient resources are available to deal with any man who has disregarded the law.

As the Richmond Times-Dispatch says, "Those who have watched the course of Mr. Palmer, as Attorney General of the United States, are convinced that he means all that he has said in this connection. He did not fail to exercise all the authority of his high office to defeat the strike of the soft-coal miners. He made war upon the radical aliens, who, as members of the Communist party and the Communist Labor party, had set out to destroy the American government by force and violence. He aroused the enmity of thousands of dangerous people by this move, but that did not deter him. He fought the owners and holders of enemy property in this country during the war and took that property away from them. He has turned his guns loose against profiteers. It has taken courage on Mr. Palmer's part to deal with these great problems with firmness, but to date he has not failed to meet such crises as circumstances have forced upon him. The American people cannot fail to be a little more secure with the power of government in his hands."

DEMAND ACTION.

Chicago, April 15.—William Jennings Bryan went on record in Omaha yesterday as favoring an anti-profiteering plank in the democratic national platform. He declared for relentless prosecution of all offenders.

Samuel Gompers, president of the American Federation of Labor, attending a convention of cigarmakers in Cleveland, yesterday issued a statement regarding the general industrial unrest. He said that nothing practical had been done to prevent the high cost of living, and that laws to protect the masses from exploitation have been turned against them.

POLICEMAN SLAIN BY MOB.

Bristol, Tenn., April 15.—J. M. Hall, Baldwin-Felts man and camp policeman at Kentenia, Ky., for the Banner Fork Coal Company, was shot and fatally wounded by a mob of radical miners in a pitched battle near the company's store last Friday.

The officer was accompanied by his wife and another officer when they faced the mob from the porch of the store. His wife is said to have wielded a pistol at the side of her husband and stood guard over his body until an armed companion of the officers' could disperse the enraged radicals.

Hall is reported to have incurred their enmity when he exposed contemplated action of the organization against the company's holdings. He died Tuesday evening.

BONUS TO BE PASSED.

Senate Will Rush Measure if It Gets It This Month.

Washington, April 15.—Action on a soldier bonus bill is to be rushed in Congress in the hope of passing the measure by June 1, or before members leave for the political conventions, republican leaders of the Senate and House agreed yesterday.

Senator Lodge, majority leader in the Senate, has sent word to Representative Fordney, Michigan, chairman of the ways and means committee, that if the bill is passed by the House by May 1, it probably can be passed by the Senate within that month.

NO LOW-NECKED DRESSES.

Arizona Catholic Clergyman Posts Notice Barring Objectionably Garbed Women.

Phoenix, Ariz., April 15.—All entrances to St. Mary's Catholic Church yesterday bore notices saying "Entrance into this church is forbidden women wearing low-necked dresses.' The name of Rev. P. Novatus, rector, was subscribed. Members of the congregation said Father Novatus frequently had protested in public utterances against present-day tendencies in women's clothes.

This Miller Cord Tire has run 22,000 Miles On a Heavy Truck

22,000-Mile Tread
And Why They Are Exceptions

Worn Miller Tires are often exhibited with some sign like above.

Countless letters also reach us telling such mileage tales.

These are very pleasing. But we don't want users in general to expect miracles from Millers.

Service to Expect

Expect from Millers greater service than from any like-type tire. And 19 times in 20 you will get it.

Expect it to outserve any tire you put opposite, and it almost invariably will. Expect twice the mileage tires gave a few years ago, and they will doubtless do still better.

Expect tread wear 25 per cent better than from others and you'll not be disappointed.

But don't expect that Millers, under all conditions, can match some exceptional mileage.

Why Mileage Varies

A Cord Tire gives vastly greater service than a Fabric Tire.

An oversize tire will vastly excel a tire that is undersize. Care, load and roads affect tire service greatly.

Millers are uniform tires. That is a major reason for their supremacy. But uniform tires will vary with conditions.

Tread Patented

Center Tread smooth with suction cup, for firm hold on wet asphalt. Geared-to-the-Road side treads, mesh like cogs in dirt.

With 3-Ton Loads

Miller Cord Tires were tested by Ray C. Carpenter on a 22-passenger bus, averaging a 3-ton load each trip. The first tire on a rear wheel ran 23,700 miles without a blowout, and was never removed from the wheel. The second was punctured by railroad spike at 5,000 miles, but when repaired ran 12,000 miles more without a blowout. On a front wheel the Miller ran 22,000 miles without a blowout. All were passenger-type tires.

What Our Tests Show

We run tires at our factory ten million miles a year to make these service tests.

These are radical tests. Tires are run constantly, night and day, and under heavy load. We want quick comparisons.

On our testing machines Miller Cords average 15,000 miles, and Fabrics about half that.

But these are not mileage records. We are running Miller Tires against high-grade rivals to prove that Millers last best.

Be Satisfied With This

You will get on a Miller an exceptional tread. It is by 25 per cent the best tread made.

Not one Miller Tire, made under present methods, has ever come back with the tread gone.

You will get uniform tires. Every Miller Tire is signed, both by maker and inspector. Every man knows that a faulty tire means a penalty for him. And faults are extremely rare.

You will get greater mileage than from any tire you put on the opposite wheel. That is so nearly universal that we will stake your favor on any single test.

But you will get the best tire built today. There are hundreds of thousands who know that.

When you buy a new car insist on Miller Tires. Twenty car makers now supply them and there is no extra charge.

Capt. von Pabst Sought by German Government and Former Friends as Well.

Berlin, April 15.—Capt. von Pabst, who played an important role in the Kapp-Leuttwitz militarist reign of five days in Berlin and the pro-German intrigues in America, and who is charged with being one of the chief conspirators in that insurrection, is alleged to have disappeared with the balance of the treasury of that movement.

The government is seeking Pabst with a warrant for rebellion. The "Kappists" are looking for both him and thier treasury.

According to persons in close contact with these circles, Pabst is said to have disappeared with 1,250,000 marks (normally $312,500) remaining in the "war chest" of the National Union, an organization of officers associated with the overthrow of the Bauer government. Pabst was chief of staff to Gen. Baron von Leuttwitz.

IRISH STRIKE OFF.

Dublin, April 15.—The general strike called in Ireland, because of the alleged mistreatment of Sinn Fein prisoners by British authorities, was called off yesterday, after the release of the prisoners.

The lord mayor addressed the crowd outside the Mount Joy prison and confirmed the release of some of the prisoners.

The first disorder since the general strike was called Tuesday occurred when Harry Kells, a detective, was shot and killed while walking in Camden street.

ELOQUENT APPEAL FOR PALESTINE

(Continued from Page One)

in Palestine were described at length by the speaker, who told of the habits and pursuits of natives. He expressed hope of its early restoration and added that the purpose of the organization is to obtain the support of all in this undertaking.

Rev. Louis Smet, pastor of St. Mary's Catholic Church, said there is no reason why the Jewish people are the only people who are not in possession of their homeland. There is a said a humanitarian side for those who are oppressed, both of the Jews and Armenians being among the oppressed people of the world today. The Jews he said have kept their individuality no matter where they were located.

Dr. Kate Waller Barrett portrayed the suffering of the Jewish people for the past 2,000 years. She declared all should assist the Jews to regain their homeland. It not only being the fight of the Jews but our fight. She declared it is a debt of justice that civilization owes to the Jews.

Rev. Dr. E. V. Regester, pastor of the M. E. Church South, said he believed the Jews are beginning to write a new history for their race. Continuing he said: "I can't forget the debt that humanity owes to the Jewish people." He praised the Jews as highly moral and religious and declared there were no better citizens in Alexandria than the Jews. This land said the speaker belongs by rights to the Jew and to the Jew only and he expressed hope both Protestant and Catholic would stand together and demand that Palestine be turned over to the Jews. concluding he painted a pretty word picture of Palestine.

I Don't Believe In That

Do you know that one of my patients tells me that such was the answer received when he suggested that a sick friend try chiropractic —Being questioned the friend admitted that he did not know what chiropractic was. Here you see was a case of condemnation before investigation. But such is the world, always was, it used to be flat once, flat as a pan cake—A medical doctor of several years experience was losing his little 6 months old boy, dying with the Flu, in spite of several medical men in Washington, called in consultation—Three days and nights the little life hung in the balance, medical skill had failed. The father had heard what he considered absurd claims of what chiropractors could do in cases of flu and pneumonia; but his own little boy was dying, his own baby—He called a chiropractor and wonders of wonders, in a couple of days the baby was fast on the road to health—Did this open the doctors eyes? Yes, he went and took a course in Chiropractic, is now practicing that science, absolutely without medicine and is building up a magnificent practice in the cty of Washington. There is no one so blind as he who will not see. But when a call for a life of some dear one comes right home, ethics and prejudice must go. I am here to accomodate the people of Alexandria.

Doing the BIG things FIRST

HERE is the first tire that ever was given a whole factory to itself!

Firestone Plant No. 2, with a capacity of 16,000 tires per day, is devoted solely to the production of the 3½ inch size.

It was a problem made to order for Firestone — big volume production of a high grade article.

Firestone met it with a typical Firestone answer — a separate $7,000,000 factory.

All Light Car Road Records Smashed

At Indianapolis recently an Overland 4 stock car was driven 5,452 miles *continuously* in seven days and nights, over frozen country roads.

This is an average of 778 miles per day—more than the distance between Toledo and New York City. This is another tribute to the cushioning effect of *Triplex* Springs and the quality of material in Overland 4.

Clean Up Week

Plans Now Completed to Make Dirt Fly

The committee in charge of the clean up week campaign, held under the auspices of the Chamber of Commerce, have set the date of April 24—May 1, 1920, as the time in which this work is to be carried on. In order that much good can be accomplished in the line of general improvement in the sanitary conditions, as well as the elimination of many unsightly spots now existing in our city, it will be necessary for each individual to play his or her part in this important work.

First. It is the intention of the directors of the clean up week campaign to have removed from every house, vacant lot and alley in this city, everything in the line of ashes, trash, etc., or that which would tend to create a nuisance.

Second. Each householder is requested to have in an accessable place and in receptacles, that can be handled by two men, all ashes and trash accumulated on his or her premises, also vacant lots, alleys or courts where people have been accustomed to throwing refuse. The occupants abuting thereon, are further requested to assist in a general way by having all refuse in piles so as to help the carts in the removal of same.

Third. The merchants of this city are requested to have removed from their premises, in vehicles furnished by them that will not allow the contents therefrom to be distributed on the street, all ashes and trash, conveyed to a place to be designated by the City Engineer, Health Officer and Director of Clean Up Week.

Any person owning motor trucks or teams, desiring to assist in the aforesaid work, by loaning his vehicle for any part of the above mentioned dates, will phone 152 or 931, or communicate with Dr. J. J. Garvey, Director of Clean Up Week Campaign, this city.

OFFERS STUDENTS TO ROAD

Pesident Rea, of Pennsylvania Road, Told That Volunteers Are Ready Should Occasion Arise

Princeton, N. J., April 14.—President Hibben today offered the students of Princeton University as volunteers to run the trains should conditions become such that there is need for them President Hibben was informed by President Rea, of the Pennsylvania, that there was no need for volunteers today, but that a need for them may develop in the near future.

A number of undergraduates, including several members of Princeton championship football team, left Princeton in automobiles yesterday to offer themselves as volunteers on the Lackawanna and Erie until Sunday. Their action was independent of any official step on the part of the University there.

The civil engineering department of the University has offered 20 men to run the Princeton Junction line train, a branch of the Pennsylvania, whose force walked out at noon.

RICHMOND WITHOUT SUGAR.

Stores Sold Out for a Week--No Prospects of More Till Strike Ends.

Richmond, Va., April 15.—Not one teaspoonful of sugar can be found in Richmond except that which is in possession of the consumers, according to wholesale and retail grocers who hold out no hope of relief. Several of the leading wholesalers declare they have had none for over a week and cannot receive any until after the settlement of the "outlaw" railroad strike, if then.

Some retail men claim that the railroad situation is partly to blame for the lack of sugar, but state that most of the trouble lies with the big sugar interests.

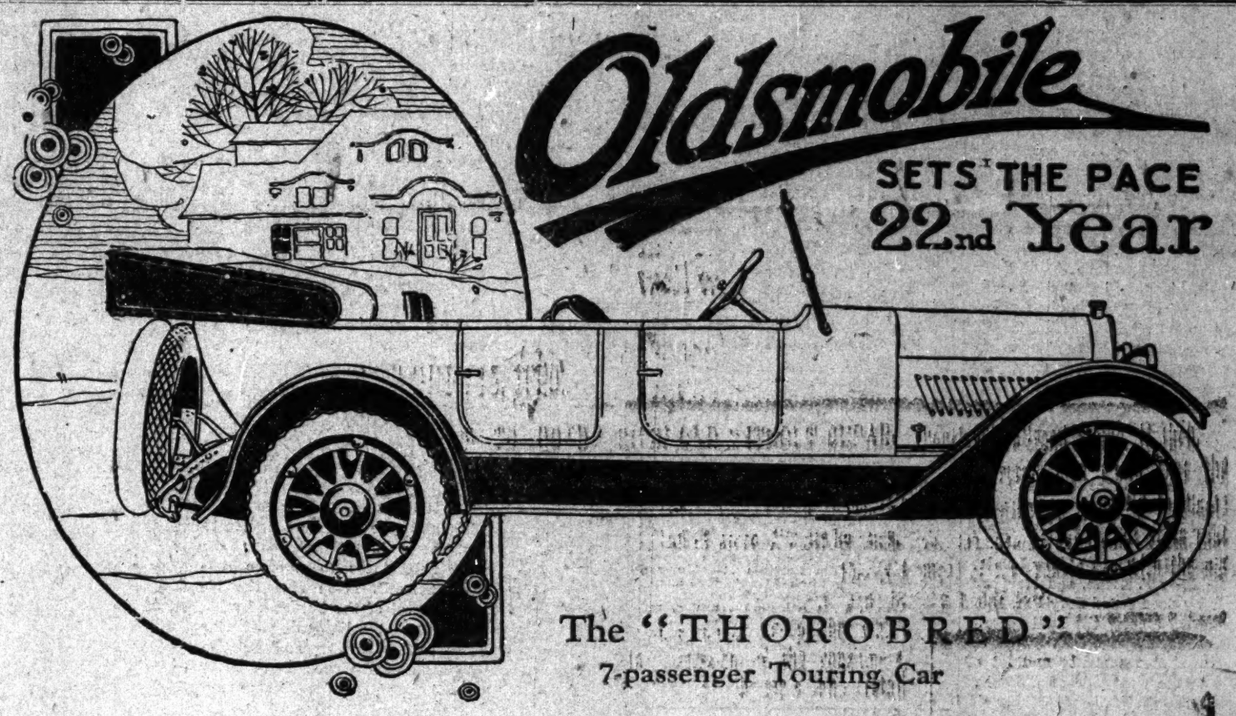
Oldsmobile
SETS THE PACE 22nd Year



The "THOROBRED"
7-passenger Touring Car

THE trend of automobile engineering points to the 8-cylinder car. And good buying judgment points to Oldsmobile.

We aimed higher than simply pioneering the "eight." We aimed to produce one of moderate price and low maintenance costs,

—that had the flexibility, smoothness and abundance of power inherent in the 8-cylinder car.

—that cost as little to buy and operate as the majority of "sixes" and many "fours."

—that would be smartly distinctive, yet characteristically Oldsmobile.

Our aim is attained in the "THOROBRED"—the only popular priced "eight" in which mechanical excellence is combined with rare riding comfort and up-to-the-minute body lines. Oldsmobiles have been the history-makers of motordom; the "THOROBRED" is well worthy to perpetuate the name.

Descriptive literature will be sent upon request, or a demonstration gladly arranged.

PHYSICIAN ATTACKS POLICE.

Memphis, Tenn., April 15.—Dr. Buford N. Dunavant, Memphis physician, who served in the world war as a medical officer attached to the 115th Field Artillery, with the rank of major, was shot and fatally wounded late Tuesday night by policemen summoned by neighbors to quiet a disturbance at the Dunavant home. Dr. Dunavant died shortly after being taken to a hospital.

According to the report made by the officers, they were met at the front door of the Dunavant residence by Mrs. Dunavant, and while in conversation with the woman and her eight-year-old daughter, the police declare, Dr. Dunavant appeared and opened fire on them. They returned the fire and three of their bullets took effect, inflicting what proved to be fatal wounds.

Dr. Dunavant was thirty-six years old. He came to Memphis some years ago from Little Rock, Ark.

EXPENDITURES OF SALVATION ARMY SHOW $13,257,552

Commander Evangeline Booth Makes Public Annual Home Service Fund Accounting.

EXPANSION OF WORK IN ALL DEPARTMENTS NOTED

Popular Organization's Budget for 1920 Totals $10,000,000—Details of Figures for 1919 and 1920.

New York, April 12.—Expansion and advancement in every department of Salvation Army work as a result of the 1919 Home Service Fund are shown in a full accounting of that Fund just made public by Commander Evangeline Booth at the National Headquarters of the organization here. The financial statement, which is of January 31, 1920, shows total expenditures throughout the country up to and including that date of $13,257,552, with a remainder on hand for the four months to May 31, of $910,140.

Details of the statement disclose that the sum of $1,441,185 was expended up to January 31, for the maintenance of 939 corps and outposts in all parts of the United States. This item includes rentals of halls and their maintenance, salaries of 1,800 officers, the expenses of work for children and young people, the cost of all local relief work of whatever nature, and such incidental expenditures as postage, printing, stationery and the like.

In the period covered by the report the sum of $1,688,429 was expended by thirty-four provincial and divisional headquarters for fresh-air farms and camps, comprehensive relief work of a special nature amongst the poor, the sick and the distressed. These headquarters are charged with the oversight and direction of all corps and similar activities in their jurisdiction as well as the extension of Salvation Army effort to unoccupied fields and localities. Hence, this item includes also salaries of executive officers, of clerical and other employees, necessary traveling expenses, postage, the cost of advertising, publicity and a portion of the expenditures incidental to the organization of the financial campaigns.

Details of Expenditures.

Other items detailed in the report include the sum of $621,099, representing administrative and other expenses borne by National Hearquarters in New York and Territorial Headquarters in Chicago; $187,300 representing the cost of operating and maintaining 25 rescue homes and maternity hospitals, a general hospital and one for children, 3 children's homes and 11 slum settlements and nurseries; and $400,000 apportioned according to the 1919 budget for the pension fund for aged or disabled officers.

Most significant, as indicating the remarkable advancement made by the Salvationists during the past year as a result of the 1919 Fund contributed by the country, are the lifting of mortgages to the amount of $1,881,108 and the outlay of $7,038,834 for new buildings and additions, making a total of $8,919,528.

Hitherto demands upon the Salvation Army's efforts have been so much greater than its income that it has labored under a tremendous indebtedness, its officers have been reduced to part pay year after year, and the organization has been handicapped in its operations.

Not All Mortgages Liquidated.

Only a part of the mortgage indebtedness was paid off last year, however: the increased demands upon the Army everywhere, in the country being so great that increased and new facilities for hospitals, rescue homes and other Army institutions called for the outlay of more than $7,000,000. Army officers hope that the response to the 1920 Home Service Appeal will be such as to permit of the wiping out of much of the remaining mortgage indebtedness, provide for the maintenance of the organization's established activities and make urgently needed extensions and development possible.

The 1919 balance sheet shows the following:

	Expenditure To Jan. 31.	Reserve To May 31.
For support of corps activities	$1,441,185.15	$447,235.43
Maintenance of 34 provincial & divisional hdqrs.	1,688,429.62	297,133.93
Maintenance of national & territorial hdqrs.	621,099.97	63,474.09
Maintenance of institutions for women and children	187,359.75	102,297.09
Pension fund	400,000.00	
Mortgages and properties	8,919,528.42	
Total expenditures for eight months	13,257,552.91	$910,140.59
Reserve for four months	$910,140.59	
Grand total (Amount contributed in 1919)	14,167,693.50	

The Army's 1920 budget, asking for $10,000,000, calls for $4,000,000 to carry on its evangelistic and relief work in 1,000 separate centers; $3,000,000 for relief work among the poor, sick and unfortunate, work for mothers and children, and other social work under provincial and divisional headquarters; $250,000 for the maintenance of national and territorial headquarters; $400,000 for rescue homes, nurseries, hospitals, slum posts and other institutions for women and children; $1,500,000 for the retired officers' pension fund, and $2,200,000 for the liquidation of mortgages and the acquiring of new properties made necessary by the Army's 1920 extension program.

CONDITIONS IMPROVE.

Worst Tie-up Continues in New York District.

Gradual improvement in the general railroad strike situation was reported from practically all sections of the country yesterday.

The worst tie-up continued in the Ntw York district, where only a small number of workers had returned, although passenger service on all lines had been improved by use of volunteer train crews and yard workers.

In the west, the strike was reported "subsiding" as the men gradually returned to their jobs. Switchmen employed at Chicago by three railroads quit the strike.

Chicago dispatches said federal agents predicted arrests of radicals there responsible for starting the walkout which became nation-wide. Eight arrests have been made—six at New Orleans and two at Kansas City.

COAL, LUMBER AND BUILDING MATERIALS

W. A. SMOOT & CO. INC.

EXAMINE OUR GRADES
WHEN CONSIDERING PRICES:

With prices on Lumber and other Building Materials at their present levels, there are many items in the lower grades which can often be substituted satisfactorily and at a considerable saving.

We have become so much impressed with the possibilities of doing this, to advantage that we are exercising the greatest care in buying only from those mills who pay the closest attention to the manufacture and grading of their lower priced stocks.

We ask our customers to examine these grades when buying as we believe they will find some excellent values, and a knowledge of what a carefully selected lower grade really is will often prevent the buying of a so-called higher grade at a little under the market price for the higher, when it is actually a lower grade and can be bought as such.

FARMER ADMITS MURDER.

Tearing Down Farm House Uncovers Evidence Occupant Slew Brother.

Lancaster, Pa., April 15.—Discovery by workmen tearing down an old stone house at the foot of the Welsh Mountains near White Horse, this county, of clothing that had been secreted in the wall of the building, has revealed the murder of its former occupant, David Myers, who was slain in cold blood by his brother, Harry Myers, aged forty, in November, 1917. The discovery was made Monday, and the murderer is now confined in prison. The authorities have secured a signed confession of his guilt.

The fifty-acre farm that was formerly owned jointly by the brothers recently passed out of possession of the survivor, Harry. The new owner was making repairs, and Myers stood by as the work progressed. In removing a wall the clothing was revealed. At sight of it Myers sprang forward, seized the bundle and ran with it to a nearby stream, throwing it into the water. He refused to explain his conduct, and neighborhood gossip at once associated the peculiar incident with the mysterious disappearance of his brother, whom Myers had said had gone west.

The clothing was fished from the stream and identified as belonging to the dead man. The State Constabulary was then notified and Myers was arrested. Shortly afterward he told the story of the crime.

His brother and he, he said, could not live together in peace, and, as David was unwilling to quit the farm he determined to kill him. While seated at the supper table one night he procured his shotgun and fired both barrels at his brother, killing him. At nightfall he removed the body to the yard, and underneath a stone pile dug a grave and burried it.

Myers led the officers to the spot, where the body was buried, and looked on while it was exhumed, saying as the skull was uncovered, "that's him."

THREE DEAD IN STORM.

Tornado Sweeps Over Union County Leaving Destruction in Its Wake.

Charlotte, N. C., April 15.—Three persons are known to have been killed and a half-dozen or more injured, some of them seriously, in a ion county Monday night. Schoolhouses and churches were swept away, a half-dozen farmhouses demolished and much timber destroyed.

Two small sons of Luther Williams, a farmer living four miles east of Unionville, were killed in bed when the house collapsed.

Robert Polk, a farmer, also was killed when his house, a mile north of Ebenezer, was demolished.

Men's Suits

The question of good all wool fabrics is something to be considered all right. But what's the advantage of high-grade fabrics—which just now are scarce enough—if the style and contour of the garments were not planned by a designer who has graduated in the work of supplying critical society with clothes that will fit perfectly and look classy for more than a few weeks? The beauty about Farley's suits is that they've got both the right fabrics and the right lines. National makes are here on our easy terms a dollar or two a week at the same spot cash prices and often less than the prices which the manufacturers compel the exclusive cash stores to ask. Think that over. Suits in the single and double breasted, belted and plain models, from new flannels, unfinished worsteds, blue serges etc., stripes, mixtures and solid colors. Priced at $20.00 and up.

Snappiest Boys' Suits in City

Bring the boy here. We guarantee to outfit him in the very latest styles, best quality materials and incidentally save you a lot of money. You know all our boys clothing is also sold on the Farley Easy Payment Plan—a little each week, is all. Priced $6.50 and up.

A gorgeous line of ladies' waists just received at special prices.

Did You Ever Look Inside or Down the Lines?
